#### FOR IMMEDIATE RELEASE

Ever considered membership with the Greater Vernon Chamber of Commerce? Now is your opportunity to join...RISK FREE! The Vernon Chamber is so confident that your business will benefit from membership that we are now offering new members a 90 Day Money Back Guarantee.

With more than 740 businesses in our membership, valuable connections are key to your business success and the Vernon Chamber is instrumental in providing those networking opportunities. "The money back guarantee offers new businesses the confidence that they are making a solid business decision and investment that is ultimately risk free", says General Manager Val Trevis. "Along with our advocacy efforts, networking opportunities and special events, we are the conduit to promoting economic development and business connections in this community", she continues.

The 90 Day Money Back Guarantee is very transparent. There are no hidden clauses and there isn't any fine print to review. Once a business invests in membership with the Greater Vernon Chamber of Commerce, we simply ask that new business to attend any three chamber events during the first 90 day period from the date of signing on. If for any reason the business is not satisfied, the entire investment will be refunded. Not a portion of it – all of it!

The Greater Vernon Chamber of Commerce is well known for our Business After 5 events, Lunch & Learns, Business Excellence Awards, professional development and business improvement seminars. We offer something to benefit businesses of any type, shape or size.

The Greater Vernon Chamber of Commerce is a not-for-profit business association established in 1897. We advocate for and promote economic development and retention in our community while providing leadership, encouraging sustainable growth, prosperity, and service excellence.
